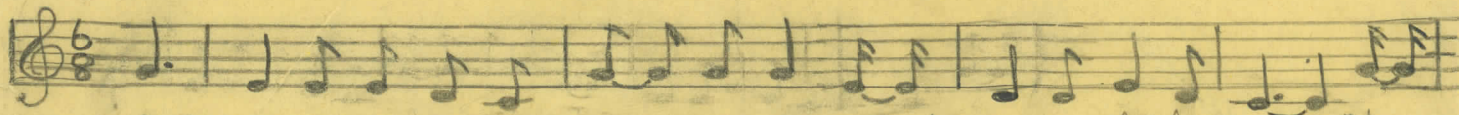
The Gold and Blue

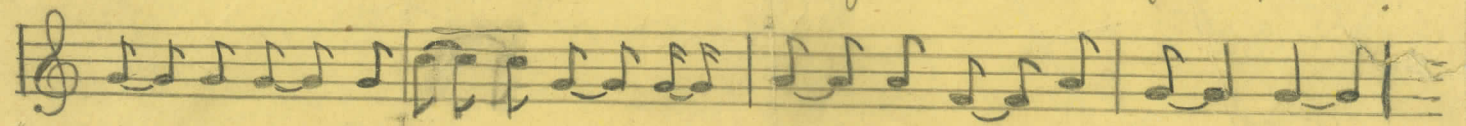
(Tune - "Michael Roy.")

written by Lillian Norton
at request of Paul Thurston
1904

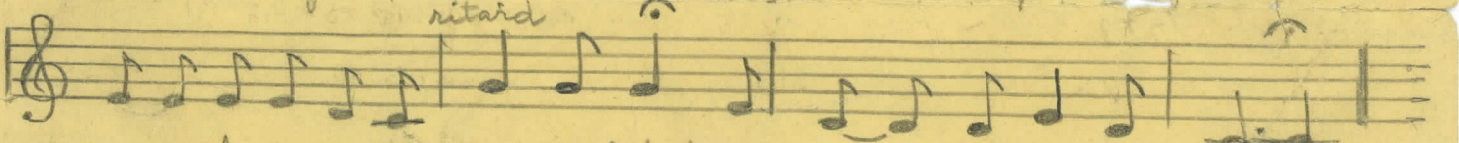


1. In Bethel town, in the hills of Maine, You'll find our school so gay; Here
2. Then wave the banner with joy and pride, Whatever we may meet; For,

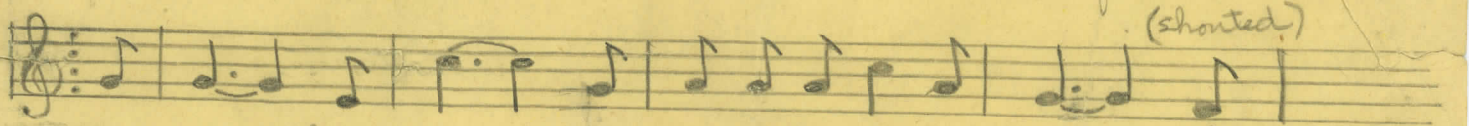
wealth not vast but dear beloved By children Gold G. A. There
the spirit and honor of Goulds are bright In victory or defeat. Our



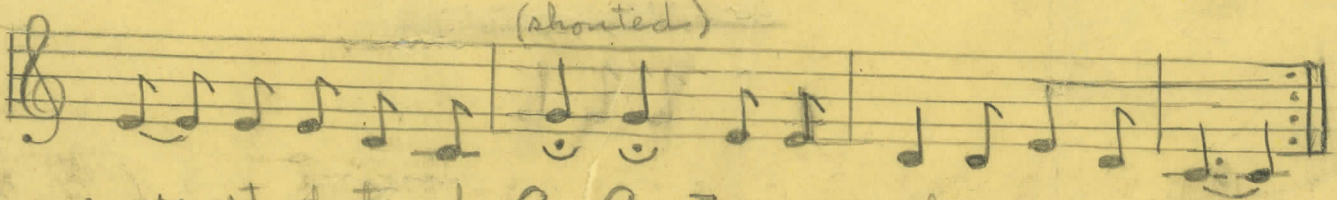
work and toil are mingled with joy, As we strive success to gain; To
school and boys so brave we cheer, Hurrah for the Gold and Blue! Our



duty and honor and Gould's bright name We faithful e'er remain.
motto and watchword forever be, "To thine own self be true."



Hurrah! Hurrah! A cheer for the Gold and Blue, For



we are students of G. A. To our colors ever true.

(repeat chorus ff)
